1. Unauthorized Sweep Investment Vehicles

What We Found

UNT System, UNT, and UNT Dallas held repurchase agreements with Wells Fargo Bank as sweep investment vehicles during fiscal year 2017. However, this is specifically prohibited in the Master Depository and Banking Services Agreement between UNT System and Wells Fargo Bank. The total balance in the repurchase account at August 31, 2017 was \$7,665,644.

During the audit we reviewed repurchase agreements for compliance with requirements of UNT System Regulation 08.2000- Investment of System Funds. We noted all existing repurchase agreements were signed in July 2014, which predated the signing of the Master Depository and Banking Services Agreement of August 2015. Upon further review of the of the Master Depository and Banking Services Agreement, section 4'Con[(e)4.7( )TJ -0.r(e)7.7(w)0.9(
